Our Story

2018 United States

Moomoo was born in the heart of Silicon Valley with a mission to democratise the way investors trade and invest in stocks.

2021 Singapore

Moomoo became the first digital brokerage to receive approvals-in-principle for all SGX memberships with a remarkable one in four adults in Singapore using our platform.

2022 Australia

Moomoo launched in Australia as the country's first AI-powered platform while achieving the global milestone of over 18 million users.

2022 Japan

Moomoo launched in Japan, continuing our commitment to innovation and reimaging the trading experience for Japanese investors.

2023 Malaysia and Canada

In 2023, we launched our platform in Malaysia and Canada, continuing our mission to empower local investors with real-time insights and professional-level features, while advocating investor education to nurture financial literacy.
