GULJAK ? Wh at does means it?

걸작 (GULJAK) / Masterpiece/傑作

Even though food as an artwork can't be displayed in an art gallery, here are delicious Topokki and Chicken that make you happy. The feast of the harmonious flavor is presented at your table.

No.1 Korean Casual Restaurant Brand

Guljak Topokki Chicken

The representative brand of WITHINFOOD, Guljak Topokki Chicken is very proud to offer two Korean signature menu: sweet and spicy Topokki and Korean style boneless fried chicken along with various fried vegetables. Customers can also enjoy cupbop, a Korean style rice bowl with different kinds of toppings and sauces on top of it. Providing 8 main entre'es and 13 side menus, Guljak will bring quality food to your table. More than 235 Guljak stores are actually running their business in Korea, including overseas. To maintain the best quality, Guljak invests a lot of time and effort to establish our operating system. Through the system, franchises can sustain our principles of quality, service, cleanliness and value, which leads to success. WITHINFOOD - Guljak Topokki & Chicken awaits you as your positive and determined business partner.
