Your Coffee Business, *Your* Way.

Step-by-step Guidance
Without Franchises or
Financial Headaches.

Did you know that *cafes aren't dead?*

It's just the game has changed. Your success or failure is already determined by the decisions made at startup.

Meet Your Mentors

Simon O'Brien

- Kickstart Founder and Consultant
- Founder and former franchisor of a national **award winning** coffee chain
- 20 years in the Australian coffee scene
- Responsible for a multi-million dollar portfolio of coffee shop and business success stories.

> *"In a game that's won or lost in the business planning phase – we'll put the odds in your favour.*

Mike Foster

- Kickstart Founder and Consultant
- Current owner of 8 Foodie outlets on the Sunshine Coast
- 30 Years in the Australian cafe scene
- Founder of Hope House Espresso (a not-for-profit, supporting women in crisis and struggling families)

> *"Critical to Business Success is winning an amazing Opportunity!*

A Turnkey solution to *Kickstart your own* successful independent coffee business.

> *"Because of you, we found our passion and something that is just as rewarding (as coffee), but flexible and long term through retirement.*
>
> – Hayley Elizabeth

We are the smart alternative to franchising or risking it alone. Our proven start-up process covers everything from site selection / negotiation through to launch. With Kickstart Coffee's guidance and 1-on-1 support you will save time, money and stress.

NOT A Coffee Franchise!

It's your business, your brand with no strings attached. Discover why even the most experienced operators are coming to us for relevant, personalised cafe business planning and start-up support.

> *"Do yourself a favour and have a chat with Kickstart Coffee Shop. It will be the single best thing you can do before you start on your new venture.*
>
> – Reg James

The problem new coffee start-ups face, is knowing who to trust. Coffee franchises, brokers and other industry types offer advice which can be described as narrow and one-sided at best. Instead Kickstart Coffee Shop Consultants are on your side.

Who Do You Trust?

We're real foodies and café business owners with decades of experience in the vibrant Australian coffee scene, offering hands-on coaching to help you Kickstart and grow your café. With practical insights and a deep understanding of the industry, we guide you through the challenges to make your café a standout success.

Start *your own* coffee business.
